**INTERVIEW SUMMARY**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In connection with the above-identified application, Applicants filed a Notice of Appeal on August 23, 2007. The filing of the Notice of Appeal set a two-month period for response. Applicants filed a Continuation patent application claiming priority from the subject application on October 31, 2007, a date which falls within the one-month extension period for filing an Appeal Brief or other appropriate filing. To maintain co-pendency of the subject application and the Continuation application, Applicants believe a one-month extension fee is due. However, the Commissioner is hereby authorized to charge any fee or credit any overpayment of fee to Deposit Account No. 19-0733.

**Remarks** begin on page 2 of this paper.

**REMARKS**

On March 18, 2008, Applicants' attorney, Mr. Aseet Patel, spoke via telephone with Examiner Vu. Applicants' attorney explained that Applicants previously filed a Notice of Appeal dated August 23, 2007. The filing of the Notice of Appeal set a two-month period for response. Applicants' attorney further explained to Examiner Vu that Applicants filed a Continuation patent application claiming priority from the subject application on October 31, 2007. October 31, 2007 falls within the one-month extension period for filing an Appeal Brief or other appropriate filing. Applicants' attorney also explained to Examiner Vu that contemporaneous with the application filing of U.S. Application Serial No. 09/73,433, Applicants had filed an "Authorization for Extension of Time for All Requests".

After considering these facts, Examiner Vu indicated that Applicants need only pay a one-month extension fee to main co-pendency of the subject application and the Continuation patent application (U.S. Serial No. 11/933,317). Examiner Vu also stated that including certified proof of the Continuation filing with this paper is adequate to meet the requirement for any papers that need to accompany this payment of extension of time. Examiner Vu suggested that a copy of the USPTO's EFS acknowledgement receipt for the Continuation patent filing would suffice as certified proof. Applicants have enclosed such proof. Although Applicants' attorney agrees with the Examiner that a fee for only a one-month extension of time is required, Applicants' attorney hereby authorizes the Commissioner to charge any fee or credit any overpayment of fee to Deposit Account No. 19-0733.

**Summary of Telephonic Interview with the Examiner**

In addition, Examiner Vu recommended that Applicants' attorney submit an interview summary for the telephone interview of August 30, 2007. Examiner Vu indicated that submitting this summary was not mandatory. Nevertheless, Applicants' attorney includes herein such a summary.

Pursuant to 37 CFR 1.133(b), Applicant's attorney wishes to make a summary of the substance of a telephonic interview, which took place on August 30, 2007, of record in lieu of a PTOL-413 form. Applicant's attorneys (Aseet Patel- Attorney Reg. No. 53,874 and Charles

Miller- Attorney Reg. No. 43,805) and Examiner Vu participated on the telephone call. No exhibits or demonstrations were used during the telephone interview.

During the interview, participants discussed Claims 1-46 and the prior art reference Blackett. Although an agreement was not reached as to the claims, the participants discussed the deficiencies of Blackett with relation to the claims and discussed the numerous aspects of the features claimed. The Examiner suggested that the description of dual TCP/IP stacks in the patent specification may be novel/non-obvious over the prior art and he would consider these features should the Applicants wish to address them in the independent claims. Applicants' attorneys thanked the Examiner for his time.

Applicant's attorney notes that the Examiner previously filed an Interview Summary substantially commensurate with the summary provided above.

### **CONCLUSION**

Applicants respectfully request reconsideration of the pending claims and a finding of their allowability.

Please feel free to contact the undersigned should any questions arise with respect to this case that may be addressed by telephone.
